PRESS RELEASE

FOR IMMEDIATE RELEASE

I-10 Corridor Association brings together local community leaders and students for an Entrepreneurship Summit on March 21

Creating an Entrepreneurial Culture will be focus of the Summit in Seguin, TX

Seguin, Texas: Entrepreneurship Summit 2007, presented by I-10 Corridor Association, will be held on Wednesday, March 21 from 8:00am to 12:45 p.m. on Wednesday, in Tschoepe Hall at Texas Lutheran University. Community leaders, elected officials and students are encouraged to attend. The summit, which will offer a forum where community leaders can learn new ways to support and grow entrepreneurs locally.

Entrepreneurship Summit 2007 topics will include; Shifting Demographics, Building an Entrepreneurship Economy, and Advancing Regional Entrepreneurship. A panel of successful business owners, such as RackSpace CEO Graham Weston and Jeff Erramouspe of TIP Strategies, an Austin-based business and economic development consulting firm, will discuss, "Staying Ahead of the Curve from Low Tech to High Tech."

"Growing existing and new entrepreneurs is key to community growth," says Jennifer Kolbe, president of the I-10 Corridor Association. "We will be launching an entrepreneurship culture to support global business strategy and to prepare local businesses for the challenges to achieve success."

There will be a registration fee of \$20, which also includes lunch is payable on the day of the event. Students, grades 6th through 12th, are invited to attend Entrepreneurship Summit 2007 FREE. There will also be onsite registration the day of the conference. For more information and to register, call Raquel Valdez at 888-241-2215.

About I-10 Association

An association of Chambers of Commerce, Cities, Economic Development Corporations, Governmental Entities, Utilities, businesses and private citizens located within an area of about 50 miles north and south of Interstate 10 between Houston and San Antonio with the interstate as its centerline. I-10 encourage growth within means of economic development training, tourism development, and finding ways to make rural communities and businesses prosper within our corridor. Their region is blessed with a hard working population, beautiful landscapes, attractive work environments, and homegrown industries that once were small but are now some of the most profitable in our state.
